# District “I” Cabinet Meetings

At least four quarterly meetings of the district governor’s cabinet are held during the year. Your district constitution and by-laws provides guidance regarding the dates of these meetings. If the district constitution and by-laws does not provide guidelines, the district follows the provisions of the Standard District Constitution and By-Laws. A copy of the cabinet meeting minutes is sent to the English Language Department.

## **Agenda for Cabinet Meetings**

Standard items, as well as specific business items the district cabinet needs to discuss, are on the agenda for each cabinet meeting. Standard agenda items include:

1. Call to order
2. Roll call and reading of communications from absent members
3. Approval of minutes of last cabinet meeting
4. Financial report
5. Unfinished business, if any, held over from last cabinet meeting
6. Approval of bills payable from district budget and ask cabinet secretary-treasurer to issue checks for same
7. Communications and action taken on them
8. Committee, region and zone reports
9. Reminder of date and place of next cabinet meeting
10. Adjournment

## **1<sup>st</sup> District Cabinet Meeting:**

To be held in late July or early August. After the new District Governor comes back from Lions Clubs International he/she will hold their 1<sup>st</sup> Cabinet Meeting. This is also a good time to hold another training session prior to the Cabinet Meeting if at all possible. The District Governor will present the budget for the new Lions year and also will get the discretionary funds approved. Also, this will be the time to present Lions Clubs International President’s theme for the new year. This also is the time for Cabinet officers be recognized along with Zone Chairs and Committee Chairs.

## **2<sup>nd</sup> District Cabinet Meeting:**

To be held in late October or early November. Agenda will be same as above. This Cabinet meeting will be held in conjunction with the District Hall of Fame/Rally.

## **3<sup>rd</sup> District Cabinet Meeting:**

To be held in February in conjunction with the District Convention. Agenda will be same as above. After Cabinet meeting the District Convention will be convened. Following the Convention a banquet will be held.

## Multiple District Convention Annual Convention

### **District conventions are held to:**

- Conduct general district business
- Take action on district matters in accordance with the constitution and by-laws of the association and the district
- Adopt resolutions
- Elect the district governor, first and second vice district governors and other district officers
- Vote on convention sites
- Conduct seminars
- Provide events important to the district
- Develop friendship among Lions of the district

Sometimes a district convention may be held in conjunction with the multiple district convention.

**Voting at the District Convention:** According to the section of the Lions Clubs International Constitution and By-Laws that governs voting at an annual district convention:

- Each chartered club must be in good standing in order to vote
- In any case, each new and existing club is entitled to at least one delegate and one alternate
- Each club is entitled to one delegate and one alternate for each 10 members who have been enrolled for at least one year and a day in the club or major fraction thereof, of said club as shown by the records of Lions Clubs International, of the first day of the month last preceding that month during which the district convention is held. The major fraction referred to in this section shall be five or more members
- One vote is allowed for each certified delegate present in person on each election and question submitted

### **Dates for the Convention:**

The district convention is held no less than 30 days prior to the convening date of the international convention. This will give the newly elected district governor time to make preparations to attend the district governors-elect seminar. The seminar is held in advance of the international convention. The district convention is also an opportunity for clubs to participate in the affairs of the district.

### **District Convention Report:**

After the date and location of the district convention is determined, report it to International Headquarters through the WMMR MyLCI site on the association's website, or by mailing the report form to the English Language Department. The report form (DA-20) is in Chapter 17 of this guide.

### **District Convention Minutes:**

The International Constitution and By-Laws provides that within sixty (60) days after the close of each single or sub-district convention, the cabinet secretary sends one copy of the complete convention proceedings to the international

office, and one copy to the district governor. The convention proceedings are also sent to any club upon written request. If your district holds its convention in conjunction with a multiple district convention, or that of your province or state, the convention proceedings are sent to the international office.

**4th District Cabinet Meeting:**

To be held in late April or early May in conjunction with the District Picnic. This is the time to present any awards and give a synopsis of the past year.

**POT LUCK** - Bring your favorite so everyone can enjoy - Meat is being provided and members should bring a side dish, paper products and soft drinks.

**We will not have the full agenda. Pledge and invocation and awards will be presented after the meal.**
